

Monroe High School Athletic Hall of Fame
Financial Support

Monroe High School has produced many outstanding athletes over the years. The Monroe High Athletic Hall of Fame Committee is proud to recognize our rich heritage of athletic accomplishments. Our committee plans to induct members into our Monroe High School Hall of Fame. Those athletes so honored will receive individual plaques listing their accomplishments. An identical plaque for each member will be proudly displayed on the high school Hall of Fame Wall. The Hall of Fame Awards dinner banquet and awards assembly will be an annual event. Each new member and his/her guest will celebrate his/her accomplishments as well as the accomplishments of fellow Hornets.

The committee is addressing this letter to the alumni, hornet fans, community members, and local business leaders who, like us, wish to preserve the exemplary athletic heritage of Monroe High School. Our committee is in need of your financial support. Your donations will help you honor those deserving of this award as well as help to motivate our young athletes to become members of an elite group in the future. Please send your financial support to First Financial Bank to be directly deposited into the Monroe High School Athletic Hall of Fame account. The mailing address is:
