

Monroe Athletic Boosters

The Hive's Alive!

2010-2011 Membership Drive

The Monroe Athletic Booster Club is in need of your support. We invite you to help in two ways. First, you can become an active member by attending monthly meetings and volunteering your time. Second, you can support the club financially with your membership by sending your completed form and membership fee to the address listed below. Last year the club donated over \$25,000 to the athletic department staff to pay for equipment, tournament fees, spirit wear and recognition events. Please consider becoming a club member. Your efforts will help the student-athletes reach their goals on and off the field!

The mission of the Monroe Athletic Booster Club (MABC) is to facilitate and promote the activities of the Monroe Local District's sports programs. MABC will work with the coaches and administration to support the athletic program by providing funds, boosting attendance, building morale and providing an enjoyable healthy environment for the student athletes. MABC will be responsible for raising funds required to meet the club's objectives.
